For Blayne Keller, being in the wrong place at the wrong time just might turn out to be the best thing that ever happened to her—once she stops running for her life.

A typical day at a Chicago travel agency turns deadly when Blayne Keller witnesses a mafia murder. Overnight, her life is turned upside down and she is thrust into WITSEC, the Federal Witness Protection Program, against her wishes. But the mob is determined to keep her from testifying and has a fed on its payroll leaking information about her every move. Only Alexi Nikolos, an enigmatic WITSEC Inspector with an agenda of her own, can keep Blayne alive, and it's not an easy task when the sparks between them are flying faster than the bullets aimed at their heads.
